1. About a year ago source was asked by PREGNANT to locate Fräulein Ursula HERMANN, who, during the war, was in OKW, Abwehr III F. At the time of his investigation, source had no success, but now he has discovered her to be a new typist at ADN.

2. During the war, HERMANN worked as an Abwehr secretary in Bern, Switzerland, and claims to have been later Legation secretary at Lichtenstein. She also stated to source that she knew SCHELLENBERG and Frau BEETZ, and claims that HESS undertook his flight to England under Abwehr auspices. Reminiscing about the old Abwehr days, she stated that there were none of the old group left in the Russian Zone. She herself had been interrogated at length after the war by the FSS and the 'Secret Service' in Hamburg. At present she lives in the Russian Sector of Berlin, but feeling very insecure, she is planning to move to the American Sector of town as soon as possible.

Field Comment: Subject is not known to CAMISE.

3. Source has not informed the Russians that he has located HERMANN.
